Currently only operating 4 days a week, serving premium Campos coffee.

The price includes all stock, plant and equipment, recipes, training and introductions, the asking price is well below replacement cost of the plant and equipment.

A love of food, will suffice here, the menu is simplistic, comprises. all day breakfast, Toasties and Burgers, Sweets and a range of hot and cold non-alcoholic drinks and beers, wines and spirits.

There is approximately 6 plus years remaining on the lease with a further option.

The premises could well suit a cuisine change or distillery addition.

Potential to expand seating into the arcade next door, subject to the landlords permission, certainly trading extra hours and by taking advantage of the liquor license, turnover and profit could be increased. This could well be a cafe by day and a restaurant by night.

Don't buy elsewhere until you have inspected this potential gold mine.
