RARE SECLUDED PRIVATE RETREAT TYNE RIVER IDEAL AQUA/HORTICULTURE SELF SUFFICIENCY 5STAR HOME \$850K

This is the most amazing property, at the end of the road in a secluded valley nestled under Ben Lomond. Where nature is evident and no humans are within sight. The 3 year old fire resistant home has been built on the river flats, the tree covered hills rise up steeply on either side and trout filled Tyne River with its source from Ben Lomond follows all year round.

Ideal for self sufficiency, simply a place to exist, miles from the madding crowd and world's troubles, alternatively it may suit a small scale trout farm(subject to approvals), herb or garlic production, or a spot for a writer/ craftsman to pursue their passion.

Let me assure you this is a unique, one of a kind property. There is HISTORY here in the valley.

The attractive home has been constructed to meet modern building standards such as double glazed windows, fire resistant weather boards, totally off-grid with 6 Kva battery (12 year warranty), 20 solar panels, gas hot water and stove, wood heating, very well insulated in roof and walls, hard wired fire alarms and camera, all efficient led downlights. 2 x 10,000 litres tanks filled from the roof with an endless supply from the river close by.
