Strong year-on-year occupancy growth with 30% direct business and repeat bookings from domestic and international travellers.

Consistent Excellent reviews – 9.3 on Booking.com, Airbnb Superhosts 4.9/5, Expedia 9.4/10

The owners have done the hard work and streamlined the workflow, implemented user-friendly online booking management systems and guest arrival processes. The hotel-grade linen is out-sourced and reliable local cleaners are in place.

Current owners operate the business as a lifestyle investment;- a hands-on owner will be able to significantly increase the revenue through dynamic pricing, length of stay changes and by handling a bulk of the housekeeping and gardening works.

Additional scope to grow revenue (STCA) includes converting one of the houses back to café operations, utilising second title land area for expanded tourist accommodation, take advantage of government grants to establish an agri-tourism attraction, or create a caravan park .

Zoned as Utilities and Agriculture, with the Tasmanian Planning Scheme permitted usage includes visitor accommodation and tourist operations.

Extensive Improvements - Infrastructure

The current owners have undertaken significant upgrades throughout the property, including but not limited to new French drains, rewiring, roof painting, renovated kitchens and ensuite bathrooms. Maintenance and repairs are to a high standard, with all major projects such as fencing, drainage, landscaping, heating, laundry etc updated within the last 2 years.

For guest comfort there is split-system heating/cooling to all rooms, modern smart TVs, fully equipped self catering kitchens plus many other facilities including ample guest parking, landscaped gardens and a children's play area. The houses feature wood fire heaters, large lounge areas and offer private outdoor entertaining areas with BBQs.

A detailed improvements list is available to genuine purchasers.

The Mole Creek region continues to attract strong visitor traffic due to its proximity to key Tasmanian tourism destinations. The Mole Creek caves alone recorded more than 47,000 visitors last year.

This is a genuine turnkey opportunity offering strong income, lifestyle flexibility and future expansion potential in one of Tasmania's most desirable regional tourism corridors.
