PROFITABLE RARE SUPERMARKET SOUTH HOBART LEASEHOLD TURNOVER \$55K WEEKLY PART MANAGEMENT WELL RUN

We are excited to offer a rare opportunity to purchase an independent supermarket in a well-established inner-suburban neighbourhood shopping precinct with a strong local catchment.

Close to Hobart CBD yet away from the hustle and bustle of the city, this is a well-positioned business serving a loyal local community as well as customers passing through the area, including tourists.

Established for more than 50 years, this business is a much-loved local go to store and has become an important part of the South Hobart community.

The current owners have streamlined and improved the business to the level it operates at today. Due to the owner's health, the business is now operating successfully without the owner being present in the store on most occasions. Current owner's involvement is approximately 15-20 hours per week, mainly performing managerial duties.

The store has been fully refurbished within the last five years, including brand-new flooring, lighting and state-of-the-art equipment. There is currently no aspect of the store requiring capital expenditure, allowing a new owner to take over and continue operating without the need for immediate major investment.

Revenue is generated from a diverse range of product lines including fresh fruit and vegetables, meat, bakery items, boxed ready-to-eat meals, hot drinks, cigarettes and much more.

If you are looking to purchase a business while enjoying the benefits of a good Tasmanian lifestyle, then look no further. The store is within walking distance of a primary school, hospital, bars, restaurants and the everyday amenities needed for a family.
